Dear ,

Thank you for applying for CSULB University Housing for the 2022-2023 Academic year. Unfortunately, due to the high demand for housing

Although you are on the waitlist, all new and continuing CSULB students are required to provide proof of COVID-19 vaccination by

- Visit your [CSULB Single Sign-On](#) and complete the Student Vaccine Certification.

Housing and Residential Life works with [College Pads](#) to assist students in the search for off-campus housing. This company provides listings of off-campus housing near the university and allows you to connect with other CSULB students as potential roommates.

: College Pads is the only apartment listing website affiliated with the university.

- While we do not have a way to verify the properties, College Pads does require landlords to pay to list and only confirmed CSULB students can access the Roommate Connect feature.

Another resource that we point students to is CSULB Roommate Finder on Facebook (Look up "CSULB Roommate Finder" with the Facebook search tool).

- Students have been successful in using this page to find roommates, sublets, and apartment leases off-campus.

We want to stay transparent with students on the waitlist.

- If you have questions on your waitlist position, please email us at housing@csulb.edu with your full name and campus ID with the subject line: "What is my Waitlist Number".

Thank you for your interest in CSULB University Housing. If you have any questions, please email us at housing@csulb.edu.

Sincerely,
