

Dear CSULB alum:

Below please find the form where you can notify us if you do not want to receive information about services and products offered from our affinity partners. These partners are carefully selected and screened for their proven record in working with colleges and universities throughout the nation. In addition, it offers you as an alum the opportunity to demonstrate your pride and affinity for The Beach.

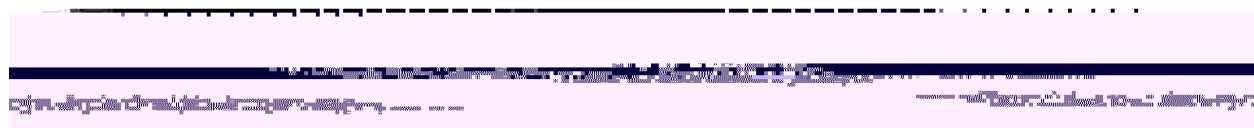

These services include insurance products such as auto, homeowners, health, long term care, vision, dental, life, etc. You will only receive information about CSULB affinity approved products and services.

These funds allow us to better fulfill our mission in supporting the University. These monies are used for the development of alumni programs, communications to build alumni support for current and future Cal State Long Beach students.

Please note that this opt form is only for you. If you have used our affinity partners, we thank you for your feedback about their services. If you wish to opt out, please return the form to us. Your request can be processed within 45 days from the receipt of your notification. If you have any questions, please contact the CSU Chancellor's Office at (866) 414-6813 or contact us at (562) 985-5252. alumni@csulb.edu

With Beach Pride,
